

Spring sofa industrial design

Made out of massive piece of wood, together with metal parts make a look of a metal spring. Chromed steel pipe is virtually penetrating the wood part.

Height - 1000 mm

Depth - 1000 mm

Width - 3000 mm

Because this design is displayed doesn't mean that is free for any use, it may already been bought and owned by any of Dare's clients.

So beafore you decide to use it, contact Dare and find out is it available or not!
